

Talent Acquisition Procedure — Demo

Fictional procedure used to demonstrate the HR workspace

Purpose and status

This controlled source was created for the BursaIQ Stage 02 competition prototype. All examples are invented. Replace it only with material approved for the demonstration environment.

1. Requisition approval

Owner: Hiring manager and Finance. Target: 2 working days. Confirm the business need, approved headcount and role profile.

2. Sourcing and screening

Owner: Talent Acquisition. Target: 8 working days. Apply the approved selection criteria consistently and document the shortlist.

3. Panel assessment

Owner: Hiring panel. Target: 5 working days. Use the agreed scorecard and record panel feedback. The next stage is pre-employment checks.

4. Pre-employment checks

Owner: Talent Acquisition. Target: 4 working days. Candidate action time may pause the service clock.

5. Offer approval and issue

Owner: HR approver. Target: 3 working days. Confirm approval before issuing the offer. Escalate overdue action to the named stage owner.
